

BECOME-ing a Disciple-Maker

IT ALL BEGINS WITH YOU!

Become a Disciple (Conception to Birth)

Before we can make disciples we must become a disciple. We do that by going “All In” with a pisteuo faith in Jesus Christ. This is a personal journey, but led by a disciple-maker just a few steps farther down the road than yourself.

Embrace the Commission of Jesus

As we go all in with Jesus, we will learn to obey his commands. The Great Commission is the pinnacle of what it looks like to follow Him. We adjust our lives to create margin to help others accept a pisteuo faith and obey Jesus’ teachings.

Change What You Care About

The process of creating a margin to obey the Great Commission includes re-prioritizing your life so that what you care about matches what Jesus cares about. This is a pruning process that happens over time, but accelerates as we agree to cooperate with His work in our lives.

Observe Disciple-able People Where You Live, Work and Play

We are not truly a disciple until we do what Jesus did - make disciples. In order to call others into a life of discipleship, we must ask the Holy Spirit to show us disciple-able people. In order to see them, we have to know what we are looking for and hear the Spirit pointing them out.

Environments: Workplace, Recreation, Neighborhoods, Discipling Communities

Resources: “Crucial Conversations,” Bless Every Home, Disciple-ability Assessment, Sub-coaching, Discipleship Map

Multiply Disciples

The first step to seeing others become disciples of Jesus is to invite them into a discipling community. It’s time to launch an X-Group with people God shows you in the places where you live, work and play.

Environments: X-groups, Discipling Communities (homes, cafes, etc.)

Empower Communities of Disciples

As you make disciples for Jesus, they will walk the same journey you have walked with Jesus. There will be a time to “send” them to the mission field to launch their own discipling communities. This is a key goal in disciple-making movements.

Environments: X-groups, Discipling Communities, Worship Gatherings, Retreats, Cohort

Resources: X-group questions, Discovery Bible Study, “Starfish Movement,” Dialogical Teaching, Worship Music.
